Chris — What we were quite sure was coming and were surprised had not been issued earlier...Angela will be prepared to sign our decision letter for me on Friday. I still have not heard anything explicit from Dave Ross about his read on this, but I think the train is rolling. I will remind folks when I am in DC.

Hi all,

We have officially been ordered to complete our review of the Deschutes TMDL by Friday, June 29th. This doesn't come as a surprise, and from the Region's perspective, we're on track to meet that deadline. Let me know if you have any questions.

Thanks,

Leah
